

CROYDON LGBT SURVEY

www.croydoncrocus.org.uk

Crocus is the new network for Lesbian, Gay, Bisexual and Transgender (LGBT) people in Croydon. Crocus is launching this survey to build a picture of the issues facing LGBT people so that we may deliver for LGBT people in the Borough.

We are asking for responses by the 31st of October 2008; the results will be published on the Crocus website.

Crocus is also aiming at building a database of LGBT people interested in being part of this network, receiving regular communications and benefiting from other activities that Crocus will undertake. To this end, we are asking those interested in becoming part of the network to provide their contact details at the end of this survey.

Thank you in advance for taking the time to complete the survey.

Chair of Crocus
